Matching Gift Campaign

The Artspace 2011 Matching Gift Challenge is underway. Thanks to the generosity of the Office of Economic Development, any membership gift will help us match, dollar-for-dollar, up to \$4,000 before the end of February 2012. Your membership renewal means twice as much to us if you renew in the next 90 days. With every membership is a chance for free counseling and professional help.

M.A.D. Grant Update

Linda Hiatt-Neely

Five artists applied for the first Money for Artistic Development Grant from Artspace. The winning applicant is eligible for a grant of \$590 to purchase supplies, tools, education, and marketing and the exciting opportunity to practice their art. The grant begins February 1 - Dec 1, 2012.

Stay tuned for the official announcement at our Annual Members Meeting on Jan. 26 at Nikki Blackburn's home. You must be a registered member to attend. Call Linda if you're wondering about your membership status.

Auction Items Needed

If you're saving items you don't need, call to donate a new item for the auction table at our February show. Linda will accept cookbooks, art materials, wines, and home accessories for a tax deductible receipt.

Annual Members Meeting

We hope to see you at the annual members meeting on Thursday, January 26, 2012 from 5:30 - 7:00pm. Bring your favorite appetizer or dessert. We will supply the rest! RSVP by January 23 via email or call 640-8177.

Online Gallery

The past year has seen a lot of viewers and sales on the Artspace website. If you would like to share your work nationally and internationally, send 6 images (jpeg, 300DPI) to artspaceopenstudios@gmail.com.

This wouldn't have been possible without the help of intern, Michael Lewis. We are very grateful for his expertise. He will become available to develop websites for very cost-effective fees again next summer. Mary Ellen Andrews raves about his creative development for her site. Check it out, then see what he can do for you. We also wish him well as he attends an MBA program.

Volunteer Opportunity

If you're free and can lend a hand, the board is looking for volunteers to help guide policy, approve budgets, develop long term plans, and set up gallery, program, and service goals.

Call Michelle Sulley at 243-2450 to find out when the next meeting is.

New Intern

Candy Wall

We're adding another intern since Onyx and Andrea have graduated from CMU. Jenna is a senior at GJHS with experience in journalism and writing. She'll be working with Linda on media content and PR releases to add professional development materials to her portfolio.
